Syskit UK Limited is a resident of the United Kingdom for income tax purposes.

European Union customers may be charged VAT depending upon the country and their VAT status.

United States customers should refer to our [W8-BEN-E](#) form. United States customers may be charged US sales taxes depending upon the state, and these taxes may vary as we register for sales taxes in new states.

UK customers will be charged VAT.

Our [Licensing & Purchasing FAQ](#) has answers to many other common questions.

Payment terms

Our payment terms are Net-30.

Credit card

We accept payment via American Express, MasterCard, and Visa. To pay your invoice, please use our secure online form. These payment methods allow immediate license key delivery.

Wire transfer

Invoices can be paid via wire transfer. Please send a short note or remittance letter to po@syskit.com so that we know to expect the payment. You can confirm these details with [this verification letter](#) from our bank.

Please note: Wire charges/fees (when applicable) are the customer's responsibility. Bank receiving charges/fees (when applicable) are the responsibility of Syskit.
